CORONAVIRUS UPDATE

A separate letter has been sent out today with the latest update and school contingency plans. This has also been uploaded onto the school's website.

We are currently following advice from Public Health England, which has been updated today. Advice currently states that if you have symptoms of coronavirus infection (COVID-19), please stay at home and do not leave your house for 7 days from when your symptoms started. The most common symptoms of coronavirus (COVID-19) are recent onset of a new continuous cough and/or high temperature. Further information is available at <https://111.nhs.uk/service/COVID-19/>

SCHOOL APP

Anyone who hasn't downloaded the school app, will have had an invitation by text message this week to join. Please make sure you download the app so that you don't miss out on any important messages from school. Please also make sure that all your contact details are up to date.

PARENT'S EVENINGS

Unfortunately, in light of the current situation, we are cancelling next week's parent's evenings. These will be rearranged at a later date. All events in school have been cancelled until the Easter break.
